Education

Sanjivani.K.B.P Polytechnic,Kopargaon,Maharashtra

Aug 2021 – June 2024

Diploma in Computer Technology— 93.14%

D.Y. Patil College of Engineering, Akurdi, Pune, Maharashtra

Nov 2024 – June 2027

Bachelor of Engineering

Languages: C, C++, Java, Python,Solidity,Javascript,Solidity

Frontend: ReactJS,Nextjs,Tailwind,Sass,VueJS,AngularJs,ReactNative

Backend: Nodejs,Expressjs,NestJs,PHP,Danjo

Deployment and Version Control: Git, Netlify, Vercel, Render,Remix,Truffle ,Gitlab,Railway,Docker

Tools:ComfyUI,Zustand,Redux,Postman,Ganche,Metamask,Hardhat

Competitive Programming: [LeetCode](#)

Projects

Multi-UI (Animated component library)

Tech Stack: Next.js,Typescript,Framer-Motion,Styled-component

- Multi-UI is a sleek animated component library offering customizable and reusable components to create dynamic and visually engaging user interfaces. It focuses on flexibility, adaptability, and seamless design integration

XtraCarbon(Blockchain-based Carbon Credit MRV)

Tech Stack: Next.js,FastAPI,Python,DeepTree,Express.js MongoDB,Aws,Vercel,Solidity,Metamask,hardhat

- Built an AI/ML system for **tree counting from satellite data**, reducing MRV time by **70–80%**.
- Integrated **blockchain** for transparent carbon credit tracking and reporting.

XtraSecurity(Secure Environment Variable & Secret Management Platform)

Tech Stack: Next.js, Node.js,Express.js MongoDB,Aws,Vercel

- A Blockchain-based Certification Platform securely generates, issues, and verifies tamper-proof certificates. It provides an API for seamless certificate creation and integration, ensuring authenticity and trust.

Work Experience

- Tech King Pvt Ltd(June 2023 – July 2023) – Web Developer**
- Tech King Pvt Ltd(June 2023 – July 2023) – Python Developer**
- Creatosaurus Pvt Ltd(July -2025 - present) – Fullstack Developer**
- Eqvisor Fullstack Developer(2024-present) – Develop the official website of eqvisor.**
- Web Co-ordinator at GDGC DYPCOE(2024-2025) - Made the official website and conducted multiple workshops**

- **ACES Tech Co-ordinator(2024-2025)** - Helping the technical team in organizing events and workshops.
- **ACES Tech Lead(2025-present)** -Develop the official ACES Website and .Manages college Personal Projects

Achievements and Certifications

- 3rd Position in Techbliz Hackthon (Sanjivani K.B.P Polytechnic,Pune)
- 1st Position in Code War (Sanjivani K.B.P Polytechnic,Pune)
- 5th Position in Avinay Hackthon(JSPM College of Engineering,Pune)
- Magnitude Hackthon Participation(D.Y.Patil College of Engineering,Pune)
- TENET Hackthon Participation(ASSIM IOT ,Pune)
- Mumbai Hack 2025 Participation (RSCOE,Mumbai)
